

# Discover the dene

**Approximate distance:** 2 miles  
**Expected duration:** 30-40 minutes

Points of interest

Direction of walk

## Discover the dene

- 1** From the car park near the pub, take the path beyond the black barrier to walk through Wallsend Dene. Keep on the path with the burn to your left and houses high on the hill to your right.
- 2** Walk under the bridge and continue along the path until reaching and passing a metal barrier. Head towards the red brick wall and red gates taking you into Wallsend Park Hall Grounds.
- 3** Take the path straight ahead passing the red bridge to your left. Stay on the low path through Hall Grounds and continue until you reach the far entrance. Turn left onto and head up King's Road South (with Richardson Dees Park across the street).
- 4** At the top of the junction with North Road, turn left to walk down the Green and past Wallsend Green conservation area.
- 5** Just past Wallsend Hall as the road splits take the road to the right down Boyd Road (Crow Bank is on your left). At the top you will then reach the no stopping zone at Burnside College. Take the split path straight ahead (for pedestrians and cyclists) and continue along the footpath with Burnside on your right.
- 6** At the end of the footpath you'll come out onto St Peter's Road, turn right and follow the hill up towards the top of the road looking at the church (Burnside will be on your right and allotments over the road to your left).
- 7** When you reach Church Bank at the T junction (with the church ahead of you) turn left and down the steep bank. At the bottom of the bank you will be back to your starting point.
