# Matty's waggonway wander

- 1** Start at North Tyneside Council's offices on The Silverlink North (where a cafe and toilet facilities are available during opening hours). As you walk from the front of the building, turn right and walk to the first crossing island, next to the park entrance.
- 2** At the park entrance, go straight ahead and walk past the large pond on your left side, you will then pass three smaller ponds on your right side. Go straight ahead where the paths cross and the waggonway path will be ahead of you.
- 3** When you reach the waggonway path, turn left onto the dual path (which is pebbled/flat). Head along the track, there will be another pond on the left. Continue under the bridge until you see a wide path on your left.
- 4** Turning left onto the wide path, bear left again and continue round to the left, passing houses on your right, and follow it until you get to the road at the traffic lights.
- 5** Cross at the traffic lights and take the next path to the left (signposted Cobalt Business park). At the end of the path, follow the pavement and then turn right towards the Village Hotel.
- 6** Finish at the Village Hotel or continue on to return to North Tyneside Council offices.
